

Paratransit Service
Guardianship Authorization Form

Customer Identification

Full name : _____

Customer number : _____

Important

Exo would like to remind those concerned that:

- Paratransit is a public transportation service, meaning that multiple customers are paired in the same vehicle for their trips.
- Paratransit customers may have physical, intellectual, and/or behavioral disabilities.
- By the law, children must use a car seat appropriate to their height and weight until they meet the requirement to use the vehicle seat belt (details available on the [SAAQ website](#)) :
 - The parents or the guardians are responsible to provide the car seat.
 - The driver is responsible for securing the car seat in the vehicle.
 - The car seat cannot remain in the vehicle between two (2) trips.

No action and behavior likely to endanger safety will be tolerated. In such a case, the current authorization would be revoked.
